Dear Sir,

Greetings of peace and love!

We would like to formally request your most esteemed approval for the upcoming **Simultaneous HPV Vaccination Kick-off and Launching of School-Based Immunization on September 27, 2024.**

School-based immunization is a public health strategy designed to protect learners against vaccine-preventable diseases, thereby providing a safe learning environment that supports uninterrupted learning and overall health.

To ensure that the event runs smoothly, we request that our request be approved and supported as follows:

1. Administrative support in necessary permission and required logistic arrangements.
2. Permit learners to be excused from their classes to attend the activity.

We assure that we will make this activity a success and really appreciate any kind of guidance or support that you can give us. If there's anything else needed or required, just do not hesitate to inform us.

Thank you for your attention to this matter. We look forward to your positive response and support.

Warm regards,

**RICKSON R. BALALIO, MD**  
Provincial Health Officer II
