Flores St., Catbangan, San Fernando City, La Union

**Dear Dr. Aquino:**

The Mathematics Trainers' Guild (MTG), Philippines supports the thrusts of the Department of Education in promoting excellence in mathematics education among the Filipino youths in the public elementary and high school levels. Our projects and programs have been aligned to the goals of the department since we also dream that every Filipino will be proficient in mathematics in the K to 12 Program.

In view thereof, the Mathematics Trainers' Guild (MTG), Philippines will be giving **5 000 FREE slots** to deserving public school students in your region to participate in the **ONLINE 2025 International Kangaroo Math Competition – (IKMC) Philippines**. This competition is recognized as one of the largest international correspondence mathematics competitions, attracting over 6 million participants from 108 countries. In the Philippines alone, we take pride in having more than 15,000 Filipino participants from over 1,000 public and private schools in the country.

The IKMC is an ONLINE CONTEST scheduled to be OPEN for 5 days from March 24-28, 2025, depending on the specific grade level assigned for the contest. The final schedule for the grade level contest will be communicated to schools and individual participants two (2) days before the contest. The contest window is from 8:00 A.M. to 9:00 P.M.

The breakdown of the **5 000 FREE slots** for students currently enrolled for School Year 2024-2025 is as follows: For every public school in your district will be allotted with **100 slots** for every grade level from **grades 1 to 12**.

**The Top Scorers** in each level will be honored with prestigious medals and certificates.

The IKMC – Philippines aims to:

- Encourage students to master their mathematical knowledge and skills.
- Give them confidence in their ability to understand mathematics.
- Help them recognize how to apply mathematics in their daily life activities.
- Develop their ability to derive pleasure and satisfaction through intellectual life.
- Show that mathematical education is significant in every part of the world.

The entrants recommended by their principal must **REGISTER to this link below:**
