Dear Sir:

Greetings in the Name of the Divine Word.

We kindly seek your support in providing a valuable educational experience for our students enrolled in the Professional Education program.

As part of their coursework for **Field Study 1 and Field Study 2**, our students are required to conduct school and classroom observations as well as demonstration teaching. These activities are essential in helping them gain practical insights into the dynamics of teaching and learning in real-world settings. It is crucial for aspiring educators to understand various teaching methodologies, classroom management techniques, and student engagement strategies.

We would be grateful if you could allow our students to observe classes and conduct demonstration teaching at **Batac National High School** from **March 19-31, 2025**. These experiences will not only enhance their learning but also strengthen collaboration between our institution and your school in shaping future educators.

We assure you that our students will conduct themselves with the utmost professionalism and adhere to your school's policies and procedures. Each observation and demonstration teaching session will be prearranged with the classroom teachers to ensure a smooth and productive experience.

Attached are the names of Professional Education students, address, specializations and scheduled dates who will participate in the Field Study.

Thank you for considering our request. We sincerely appreciate your support in nurturing the next generation of educators.

Respectfully,

**JAY G. CUMLAT**

*Faculty, Field Study 1*

**ALLAN B. GARCIA**

*Part-Time Faculty, Field Study 2*
