This course would then bring great opportunity for our participants in our municipality, province and region to attend such activity at their grasp and the convenience not to travel long hours to attend this kind of National Referee Course.

We scheduled the course at the earliest possible date to benefit on the purpose of the above mentioned course – that is to spread correct Volleyball education, practice proper protocols and be updated on new rules that will be applied on Deped Sporting events in the future. Additionally, we believe that having the correct knowledge in volleyball will significantly impact the performance of our players inside the court and boost our confidence in coaching and officiating the game.

In line with this, may we humbly ask for endorsement from your good office for us to invite all interested Deped Teachers from the different Schools Division our Region to join the National Referee and Refresher Course with a registration of Php 5,500.
