Batac City, Ilocos Norte

Dear Dr. Aludino,

Greetings in good health!

It is with great pride to inform your good office that the National Hospital Week 2025 "Building Healthy Workplaces sa Bagong Pilipinas", is scheduled for August 4 to 31, 2025 at Mariano Memorial Hospital and Medical Center. One of the highlights of this event is a **HEALTH QUIZ BEE** competition, to be participated by STEM-Senior High School students of the provinces of Ilocos Norte, Ilocos Sur and Abra. This will be a good avenue in fostering quality health-related education throughout our provinces.

The competition is set on **August 1, 2025 9 AM to 4 PM** for the **ELIMINATION ROUND** at Mariano Marcos Memorial Hospital and Medical Center, Fifth Floor Function Hall. Winners of the elimination round will compete in the **FINAL ROUND** to be held on **August 18, 2025 1:30 PM** at the **Imelda Cultural Center, City of Batac, Ilocos Norte**. This aims to select and honor extraordinary students who will excel in the following topics: **Health Sciences, Public Health Programs, Department of Health, Universal Health Care, and current events related to health.**

The event will also serve as a powerful motivation for all students as we reinforce our collective commitment to empower them with updated and evidence-based health education.

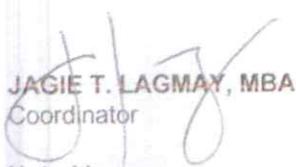

We eagerly wait for your positive response. Should you have any clarification regarding this matter, **Mr. Richard Irvin Bismonte** and **Dr. Donaryn Villa Pasamonte**, our communication committee heads, will coordinate with you. They can be reached at **09153800823** or via email at **doc_dvp@yahoo.com.ph**.

Thank you very much.
