Regional Director IV

Director Aquino:

Greetings of peace from APNIEVE-Philippines!

In line with Presidential Proclamation 479 declaring November as Filipino Values Month, this initiative highlights the importance of strengthening moral foundations through values that are pro-God, pro-people, pro-country, and pro-nature. It encourages all Filipinos to take part in nation-building by recognizing the vital role of values in achieving personal and national goals. This is supported by DepEd Order No. 010, s. 2024, which promotes values formation in the MATATAG Curriculum by equipping learners with life skills rooted in the core values of Maka-Diyos, Makatao, Makakalikasan, and Makabansa.

The 8th National Peacetival of Talents and ValTues (VALUES AND VIRTUES) aims to enhance students' creativity, self-expression, and internalization of Filipino core values through meaningful participation. It also promotes character development, responsible citizenship, and teacher involvement in mentoring and values-based instruction. The contest supports the MATATAG Curriculum by integrating GMRC and values education in co-curricular activities while encouraging the responsible use of AI for academic integrity and digital wellness.

With this, we respectfully request the issuance of a memorandum from your Office for the conduct of the 8th NATIONAL PEACETIVAL OF TALENTS AND VALTUES (VALUES AND VIRTUES) organized by APNIEVE-Philippines, with the theme "LAYAG: Navigating Talents, Anchored in the Compass of Values" to be held on November 8 and 15, 2025.

In line with this, we seek your kind endorsement to invite students and coaches from both public and private schools to participate in this meaningful event. Thank you for your unwavering support and commitment to our shared mission of promoting Filipino values and nurturing the holistic development of our learners.

Attached herewith are the SEC Registration, BIR registration, mechanics and criteria for the event.

8th NATIONAL PEACETIVAL OF TALENTS AND VALTUES (VALUES AND VIRTUES)

THEME:

LAYAG: Navigating Talents, Anchored in the Compass of Values

Rationale

The 8th National Peacetival of Talents and Values (Values and Virtues) is a celebration of learners' creativity, character, and competence, guided by the theme "LAYAG: Navigating Talents, Anchored in the Compass of Values." This national initiative reinforces the Department of Education's commitment to its 5-Point Agenda under the leadership of Secretary Juan Edgardo "Sonny" Angara.

By providing platforms where students can showcase their diverse abilities while being grounded in Filipino values, the Peacetival directly contributes to Creating an Enabling Learning Environment—one that is inclusive, values-driven, and supportive of holistic growth. Simultaneously, it promotes Supporting Learners' Well-Being by nurturing their self-worth, expression, and moral development in a safe and empowering setting.

Teachers, as guides in this journey, are central to the success of values-based talent development. Through this event, opportunities for mentorship, coaching, and recognition of teacher leadership also uphold the agenda of Prioritizing Teacher Welfare. It reflects how educators serve not only as instructors, but as moral compasses helping students navigate life with integrity and purpose.

As learners from diverse backgrounds engage in collaborative and creative expression, the Peacetival showcases Efficient and Inclusive Learning, reaching all types of learners, including those in alternative and marginalized contexts. This inclusivity ensures that no talent is left behind, and every learner finds a space to thrive.

Ultimately, this initiative prepares students to be value-oriented, purpose-driven, and globally competitive—truly Preparing a Future-Ready Workforce that is not only skilled, but principled. The Peacetival thus becomes a vessel ("LAYAG") steering the nation's youth toward excellence, guided by the unwavering compass of Filipino values and virtues.

APNIEVE-Philippines empowers individuals and institutions in promoting the values of Peace, Human Rights, Democracy, and Sustainable Development. It establishes networks and partnerships with local and international institutions interested in values education. It recognizes the crucial role of education.

In light of Republic Act No. 11476, known as "An Act Institutionalizing Good Manners and Right Conduct and Values Education " it is imperative to emphasize the significance of values formation in the education system. The Act underscores the importance of Character-Building Activities as authentic learning experiences that shape and build the character of

UNESCO- Asia-Pacific Network for International and Values Education

learners. These activities are essential in cultivating moral integrity, ethical decision-making, and a strong sense of responsibility among students.

Presidential Proclamation 479, dated October 24, 1994, designates November as Filipino Values Month, emphasizing the importance of strengthening the moral foundations of the Filipino people, which are deeply rooted in our culture, values, and ideals—pro-God, pro-people, pro-country, and pro-nature. The proclamation calls for the mobilization of all Filipinos in nation-building through the practical application of these values in daily life. It highlights the critical role that values play in achieving both individual aspirations and national goals.

The Department of Education's (DepEd) DO 010, s. 2025, or the Policy Guidelines on the Implementation of the MATATAG Curriculum, aligns with this mandate by placing a strong emphasis on values formation. The MATATAG Curriculum is designed to equip learners with essential life skills while fostering a deep understanding of citizenship, unity in diversity, and the ability to work effectively with others. It aims to prepare Filipino learners to navigate the complexities of everyday life, respond effectively to disasters, and thrive in the global job market.

Central to the MATATAG Curriculum is the holistic development of learners, focusing on instilling the core values of Maka-Diyos, Makatao, Makakalikasan, and Makabansa. These values are integral to producing competent, job-ready, and responsible citizens who are peace-loving and advocates for social equity, justice, and democratic principles. By embracing these values, learners are encouraged to take pride in their Filipino identity, celebrate the nation's rich cultural diversity, and engage in peaceful conflict resolution.

Moreover, the MATATAG Curriculum prioritizes peace education and the cultivation of responsible global citizens. Through its focus on values formation, it seeks to foster a positive attitude, a strong sense of righteousness, and a commitment to peaceful coexistence and community building. This curriculum aims to prepare learners to contribute effectively to nation-building, economic development, and the advancement of global harmony and sustainable development through intercultural understanding.

The integration of Good Manners and Right Conduct (GMRC) and Values Education into the MATATAG Curriculum is not merely an academic requirement but a crucial element in shaping the moral and ethical foundations of Filipino learners. It ensures that they emerge as well-rounded individuals who are not only academically proficient but also imbued with the values necessary to lead meaningful, peaceful, and responsible lives in an increasingly complex and interconnected world.

**CONTEST PIECE FOR SABAYANG PAGBIKAS ON THE
8TH NATIONAL PEACETIVAL OF TALENTS AND VALTUES 2025**

LAYAG, PILIPINAS, LAYAG!

Floyd G. Aquino

Pilipinas, sino? Pilipinas, kailan?
Pilipinas, bakit? Pilipinas, paano?

Tanong at sigaw ng bawat tao,
Mga kuwentong walang dulo.
Saan mang sulok ng pulo,
Nanalaytay pa ba sa iyong dugo?
Buhay pa ba sa iyong puso
Ang diwa ng isang mabuting Pilipino?

Ilang buhay na ang inialay
Makamtan lang ang inaasam na paglaya
Sa Pilipinas na mahal nating bayan.
Mga bayaning nauna—may saysay
Pa ba ang kanilang ginawa?

Sa paglipas ng panahon,
Tulak-tulak pa rin ang kariton.
Mahirap maging mahirap,
Mayaman, mas nagiging mayaman.
Sa ating lipunang hitik ng kasaysayan,
Tayo ba ay natuto na?

Buwan ng Mayo, tumatayo ang nakaupo
Maskarang mapagbalatkayo.
Mga kamay na nakikiramay,
Pangakong ginhawang ating narinig
Ngunit nabusalan ng limandaan sa bibig.
Prinsipyo at pagkatao, iyong ipinagkanulo.

Ramdam mo ba ang kadenang
Nakapalupot sa iyong pagbangon?
Iniisip sa araw-araw kung kailan aahon.
Sa bawat hakbang sa buhay,
Nililibing ba ang sarili sa hukay?

UNESCO- Asia-Pacific Network for International and Values Education

Panaghoy ng balita sa bayan ay nakasisira
Si Aling maritess tsismis nya'y nakakastress
Kalat na fake news sa social media,
Filteradong profile picture totoo ba talaga
Mga trolls na di magkamayaw sa pagscroll
Huwag epokreto maging responsableng tao

Ang katahimikan ba'y sukli sa takot?
O pagkamanhid sa paulit-ulit na pagkabigo?
Pagod na ang tinig ng masa
Sa mga sigaw at daing na 'di naririnig ng mga nasa itaas.
Saan ba patutungo ang bayang
Pagod na sa pangakong paulit-ulit na pinapaasa?

Ngayon, tanong ay tanong pa rin—
Hanggang kailan tayo pipikit sa dilim?
O gigising sa pagkakabusabos ng gising?
Pilipinas, halina't humulagpos na
Sa kasinungalingan at lantarang pagkakanya-kanya.
Tayo'y mga anak ng liwanag, patuloy na kikislap
Hanggang katotohanan ay malasap.

Ngunit sa gitna ng unos at pagsubok,
May alab na 'di magmamaliw.
May pag-asa pa ring sumisibol
Sa bawat ngiti ng bawat bata
Sa mga gurong nagtuturo ng kagandahang-asal,
Sa mga ina't amang patuloy ang sakripisyo
Kahit kapalit ay luha, pawis, at hinagpis
Sa bawat puso ng Pilipino na
Nangangarap at lumalaban.

Tumawid tayo sa dagat ng pagbabago,
Sa direksyong dala ng pagkakaisa at paninindigan,
Hanggang sa pampang ng ginhawa at magandang bukas,
Kung saan ang bawat Pilipino ay tunay na malaya,
Marangal, at may dangal.

Iisang bandera ang itataas,
Iisang tinig ang maririnig,
Iisang pag-asa ang yayakapin,
Iisang pangarap ang tatahakin,
Iisang kinabukasan ang haharapin.
Pilipinas, halina't itaas ang layag
Ng pagkakaisa at kabutihan!

LAYAG, PILIPINAS, LAYAG!
