SUBJECT : OBSERVANCE OF THE 2025 WORLD TSUNAMI AWARENESS DAY

DATE : 23 OCTOBER 2025

This has reference to NDRRMC Memorandum No. 282 dated 16 October 2025, regarding the 2015 United Nations General Assembly declaration of November 5 as World Tsunami Awareness Day (WTAD)—an annual event that promotes awareness on tsunami preparedness and advances safety initiatives.

For this year, the DOST-PHIVOLCS, in collaboration with the City Government of Vigan, Ilocos Sur, will lead the observance of WTAD through the "Tsunami! Run for Safety" event on October 25, 2025, in Vigan City.

In addition to this culminating activity, several other events have been organized to enhance public awareness and strengthen preparedness efforts, underscoring the importance of disaster risk reduction in coastal and other vulnerable communities.

In support of this meaningful observance, all RDRRMC I member agencies and LDRRMCs are highly encouraged to participate and/or conduct tsunami-related activities within their respective areas, particularly in coastal communities.
