SCIENTEACH: SYMPOSIUM FOR THE YOUTH

The National Academy of Science and Technology, Philippines (NAST PHL), in partnership with the Department of Science and Technology (DOST) Regional Office 1, will hold this year's sixth episode of ScienTeach: Symposium for the Youth on November 19, 2025 at 1:00 PM at the Northern Christian College (NCC) Auditorium.

The activity aims to promote science and technology, bring scientists closer to the youth, and inspire and encourage the students to pursue a career in science.

Relative to this, all public and private secondary schools of the Schools Division of the City of Batac are encouraged to participate in the activity on a voluntary basis.

All precautionary and safety measures must be strictly observed and implemented during participation to the activity to ensure the protection and safety of all students and teachers. Likewise, the activity should be guided by DepEd guidelines and guidelines for the off-campus activity and DepEd Order No. 9, s. 2005 titled "Instituting Measures to Increased Engaged Time-on-Task and Ensuring Compliance Therewith.

For further details and queries, please see attached communication from Engr. Brian U. Rasco.

MR. ANSELMO R. ALUDINO

Schools Division Superintendent

Department of Education – Division of Batak City

Batak City, Ilocos Norte

Dear Mr. Aludino:

Warm greetings!

The National Academy of Science and Technology, Philippines (NAST PHL), in partnership with the Department of Science and Technology (DOST) Regional Office I, will hold this year's sixth episode of **ScienTeach: Symposium for the Youth on November 19, 2025, 1:00 PM** at the Northern Christian College (NCC) Auditorium.

ScienTeach is a series of episodes that showcase varying topics featuring National Scientists, Academicians, and awardees who are accomplished in their fields of expertise. It aims to: 1) promote science and technology, 2) bring our scientists closer to the youth, and 3) inspire and encourage the students to pursue a career in science.

We would like to seek your assistance in inviting participants from national and private junior and senior high schools within your jurisdiction. We are hoping that you can help us **invite thirty (30) students** from different schools who will join the panel, and **two (2) students** who will deliver their impressions on the dialogue.

We would also appreciate it if you could deliver a short message. Attached is the draft program for your reference. **Ms. Clyde Beth B. Caraang** will coordinate with your office regarding this matter.

If you have any questions or require clarification, please contact us at **09214103469**.

We look forward to your support in this undertaking. Thank you very much.

Yours truly,

ENGR. BRIAN U. RASCO

Provincial S&T Director
