Dear Sir Aludino,

Warm greetings from Energy Development Corporation!

Energy Development Corporation (EDC) is First Gen Corporation's 100% renewable energy subsidiary. We proudly operate the 150 MW Burgos Wind Project in Ilocos Norte—one of the largest wind farms in the Philippines and a vital contributor to the country's clean energy transition.

We are pleased to inform you that three teams from Ilocos Norte emerged as champions in the Ecolympics: Provincial Wildlife Quiz Bowl held last June 27, 2025, at SM City Laoag. Their outstanding performance qualified them to represent the province in the **National Wildlife Quiz Bowl**, to be held in Dumaguete City, Negros Oriental, on **November 28–29, 2025, with travel dates on November 27 and 30, 2025.**

In line with this, we respectfully seek your permission for the aforementioned students and coaches to participate in the national competition. This event is a meaningful opportunity for our youth to demonstrate their academic excellence, deepen their understanding of wildlife conservation, and represent Ilocos Norte with pride and purpose.

The delegation will be under the supervision of their respective coaches, and all necessary school and travel requirements will be fully complied with.

We deeply appreciate your continued support and favorable consideration of this request. Should you require additional details or documentation, please do not hesitate to contact us.

Thank you very much for your time and invaluable support to our shared advocacy for education and environmental stewardship.

Sincerely,

LISA J. PAGUNTALAN-MARTE
