**Department of Education**

REGION I  
SCHOOLS DIVISION OF THE CITY OF BATAC

Advisory No. **015**, s. 2026

**15 JAN 2026**

In compliance with DepEd Order (DO) No. 8, s. 2013  
this advisory is issued not for endorsement per DO 28, s. 2001,  
but only for the information of DepEd officials,  
personnel/staff, as well as the concerned public.

**WRG-PH GLOBAL CIRCUIT ONLINE 2026**

The World Robot Games Philippines (WRG-PH), through the Data Science and Technology Corporation, with the support from the Puzzlebox 3D Printing Solutions, World Robot Games International Committee and the Philippine Robotics Team will conduct the WRG-PH Global Circuit Online 2026 on February 17 – April 17, 2026.

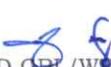

The activity aims to bring together curated series of WRG robotics challenges into a marathon-style online circuit, providing participants worldwide with the opportunity to compete at their own pace, on their own available time, while learning and progressively refining their skills in a comfortable and familiar environment.

Relative to this, all public and private elementary and secondary schools of the Schools Division of the City of Batac are encouraged to participate in the activity on a voluntary basis.

All precautionary and safety measures must be strictly observed and implemented during participation to the activity to ensure the protection and safety of all students and teachers. Likewise, the activity should be guided by DepEd guidelines and guidelines for the off-campus activity and DepEd Order No. 9, s. 2005 titled “Instituting Measures to Increased Engaged Time-on-Task and Ensuring Compliance Therewith.

For further details and queries, please see attached communication from Ms. Pinky B. Legaspi, Vice President of Data Science and Technology Corporation.

For information.

**SDS ANSELMO R. ALUDINO**

DepEd SDO Batac City  
Batac City, Ilocos Norte

Dear SDS ALUDINO:

We respectfully invite the Deped SDO Batac City school robotics teams, students and teachers to participate in the **WRG-PH Global Circuit Online 2026**, an international, multi-event online robotics competition organized under the World Robot Games Philippines (WRG-PH), through the Data Science and Technology Corporation, with the support from Puzzlebox 3D Printing Solutions, World Robot Games International Committee, and the Philippine Robotics Team.

WRG-PH Global Circuit is an online, multi-event robotics competition designed as an online extension of the World Robot Games PH (WRG-PH). It brings together a curated series of WRG robotics challenges into a marathon-style online circuit, providing participants worldwide with the opportunity to compete at their own pace, on their own available time, while learning and progressively refining their skills in a comfortable and familiar environment.

The WRG-PH Global Circuit enables students, teams, and educators to experience authentic WRG competition formats, maximize skill development without the financial and logistical burdens of travel, accommodation, or physical venue constraints, and prepare strategically for World Robot Games Japan in December 2026.

In addition, the robot games are open to the use of any robot kit and any robotics programming platform, allowing schools to participate using their existing resources and preferred technologies.

To support participating schools and educators, official training and game demonstration videos are available for free through the WRG YouTube Channel (<https://www.youtube.com/@WRG-RobotGames/videos>). In addition, free online consultation and orientation training sessions for registered participants will be conducted during February and March, providing guidance on rules, technical requirements, and competition procedures.

Interested participants may register or learn more about the event through the event page: <https://tinyurl.com/WRGPH-GlobalCircuit2026>. They may also request additional information by sending an email to [philippineroboticsteam@gmail.com](mailto:philippineroboticsteam@gmail.com) or contact the undersigned at 09603190834.

We respectfully seek your support in encouraging schools, educators, and learners to participate in this international robotics competition and benefit from its accessibility, educational value, and global recognition.

Sincerely,

Pinky B. Legaspi  
Vice President

Registration is open from January 17 to March 17, 2026

FREE Video Trainings and Online Sessions in February and March 2026.

Fee: Early bird rate is P1,500/participant until February 28, 2026 good for 3 games. Additional game in excess of 3 games is P500 only.

Regular rate is P2,400 until March 17, 2026 good for 3 games. Additional game in excess of 3 games is P800 only.

Games – online slots can be scheduled between February 17 – April 17, 2026.

**Age Group:**

- Kinder / Pre-Junior
- Junior 9 to 14 years old
- Senior 15 to 19 years old
- Teacher Edition

**Games:**

1. iBeam Line Tracing
2. kBeam Line Tracing
3. Programmable Line Tracing
4. OMG Shoot The Ball
5. OMG Move The Can
6. OMG Hit The Ball
7. OMG Drop The Box
8. OMG Carry The Ball
9. Innovative Category
