No. 017, s. 2026

**CONDUCT OF THE COMPUTER-BASED NATIONAL CAREER ASSESSMENT EXAMINATION (CB-NCAE) FOR SY 2025-2026**

To: Assistant Schools Division Superintendent  
Chief Education Supervisors  
Public and Private Junior High School Heads  
All Others Concerned

1. In accordance with the national policy on assessing the career interests and aptitudes of learners, the Department of Education, through the Bureau of Education Assessment (BEA) and the Schools Division of the City of Batac, announces the administration of the Computer-Based National Career Assessment Examination (CB-NCAE) on the following dates:

Group	Testing Schedule
Private Schools	January 12-14, 2026
Public Schools	January 26-29, 2026

2. This assessment aims to provide students with relevant insights into their potential career paths, empowering them to make informed, data-driven decisions regarding their Senior High School (SHS) tracks and future higher education pursuits.

3. All Junior High Schools, both public and private are mandated to strictly observe the operational guidelines discussed during the recent orientation. Detailed procedural manuals and digital protocols previously shared via the google link must be followed to ensure the integrity, security, and smooth flow of the examination.

4. The target examinees for this administration are all Grade 10 learners currently enrolled for SY 2025-2026. As this examination is fully digital, School Heads must guarantee that computer laboratories are fully functional, meet the technical specifications required by BEA, and have stable power and internet connectivity.

5. Due to a limitation in computer resources, students from Crispina Marcos Valdez National High School will be deployed to City of Batac National High School Rayuray for the examination on the scheduled date. Consequently, written parental consent forms must be secured for all examinees to authorize their participation and ensure safety during travel to the testing venue.

6. The examination shall be monitored by the Curriculum Implementation Division and the School Governance and Operations Division to ensure the integrity, standardized administration, and proper conduct of the assessment.

7. Attached herewith are the Lists of Testing Personnel and Testing Resources from Private and Public Secondary Schools for reference to ensure the successful conduct of the examination.
