Subject: Proposal for a Free One-Day College Entrance Test (CET) Review Session

Dear Sir Aquino,

Greetings from AHEAD Education Group!

For over 30 years, AHEAD Education Group has set the gold standard for elite educational preparation in the Philippines. However, we believe that world-class education should be a right, not a privilege. We are writing to invite your institution to join a movement that democratizes success and turns your students' aspirations into admissions.

At AHEAD, we recognize that families often face a difficult choice between quality and affordability. To bridge this gap, we launched **ReviewLab**, our flagship social enterprise initiative.

At **ReviewLab**, our mission has always been to bridge the gap between student potential and university admission. As we prepare for our upcoming **Special Partnership Offer**, which will feature comprehensive, full online sessions specifically tailored for UP and PUP aspirants, we want to kickstart our support for your learners with an immediate high-impact opportunity.

We are pleased to announce that ReviewLab will be conducting a **Free 1-Day Online College Entrance Test (CET) Review** on **April 11, 2026**. This session is dedicated to supporting **10 deserving students per school** as they prepare for the Polytechnic University of the Philippines (PUP) and other state university examinations.

For the selection process, we recommend prioritizing students who:

- Demonstrate strong academic potential and merit;
- Have genuine financial need for review assistance;
- Are planning to apply to PUP or other state universities, and
- Demonstrated leadership qualities and a commitment to service to others within their school or community.

Kindly note that the ReviewLab team will also conduct a **screening process through a submitted Google Form Response** to ensure the most qualified students are selected.

We firmly believe that with the right support and guidance, students can reach their full potential and secure opportunities in the country's leading public institutions. We would be honored to receive your endorsement and support in disseminating this opportunity to the secondary schools under your jurisdiction.

We would be happy to coordinate with your office regarding the list of nominated students. For any questions or clarifications, please feel free to reach out to us at abegail@ahead.edu.ph.

Thank you for your continued dedication to empowering the youth and advancing quality education.

Respectfully yours,

Rossana Llenado
Founder and CEO, AHEAD Education Group
