FREE 1-DAY ONLINE COLLEGE ENTRANCE TEST (CET) REVIEW

The AHEAD Education Group will be conducting a Free 1-Day Online College Entrance Test (CET) Review on April 11, 2026. This session is dedicated to supporting 10 deserving students per school as they prepare for the Polytechnic University of the Philippines (PUP) and other state university examinations.

For the selection process, the group is prioritizing students who:

- Demonstrate strong academic potential and merit;
- Have genuine financial need for review assistance;
- Are planning to apply to PUP or other state universities; and
- Demonstrated leadership qualities and a commitment to service to others within their school or community.

To nominate the 10 deserving students, refer to the table below:

- Scholar Nomination Form: https://bitlyReviewLab_Form.

Refer to the communication for more details about the review.

Participation in the activity is on a voluntary basis and requires no registration fee.

Attached is the letter of Abby Famadico, from AHEAD Education Group for reference.

Dear Superintendent Aludino,

Greetings from **AHEAD Education Group**:

Thank you for your formal acknowledgment regarding our proposal. We are encouraged by your interest in the scholarship opportunities we have offered for the ReviewLab (UPCAT Track) and the Polytechnic University of the Philippines (PUP) track.

Our curriculum and review materials are specifically engineered for success. To ensure the highest standards of academic excellence, the **program design and all review materials were created by honor graduates from the University of the Philippines (UP) and the Polytechnic University of the Philippines (PUP)**. This ensures that the content is not only rigorous but also deeply aligned with the actual competitive landscape of these top-tier institutions.

To facilitate your office's evaluation and the potential formalization of a Memorandum of Agreement (MOA), please find the requested details below:

1. **Timeline and Schedule:**

- **PUP and other State Universities:** A specialized one-day intensive review session is scheduled for **April 11, 2026**. This session is specifically designed for learners preparing for the PUPCET and other major state institutions. We are pleased to open **10 scholarship slots per public school** within the division for this session.
- **UPCAT:** The comprehensive ReviewLab for the UPCAT track will begin on **June 5, 2026**. The program will run daily for **10 consecutive days** to provide rigorous and continuous preparation.

2. Mode of Delivery: To ensure accessibility for all learners in the City of Batac, the sessions will be conducted **online**.

3. Scope of the Review Program: We would like to request a **formal meeting or a brief consultative session** with your office to discuss the specific scope and subjects of the program.

4. **Scholarship Eligibility:**

- Demonstrated strong academic potential and merit;
- Genuine financial need for review assistance;
- Intent to apply to PUP, UP, or other major state universities;
- Demonstrated leadership qualities and a commitment to community service.

5. Program Costs: The standard enrollment fee is **PHP 5,000**. The full scholarships mentioned in our proposal cover **100% of the tuition**.

6. Additional Sponsorships: We are open to discussing preferential rates should the Division wish to sponsor additional learners beyond the initial scholarship allocation.

We fully recognize that this partnership is subject to the policies and guidelines of the Department of Education regarding external engagements. We are prepared to submit any further documentation required to ensure this collaboration aligns with your standards for student welfare and academic excellence.

We look forward to the possibility of empowering the learners of Batac City through this initiative.

Best regards,

Abby Famadico
