DR. ANSELMO R. ALUDINO CESO V

Schools Division Superintendent

Division of Batac City

Batac City, Ilocos Norte

Subject: Invitation for Division of Batac City Schools to Participate in the 2026 Philippine Number Ninja Competition (Regional Preliminary Rounds)

Dear Dr. Aludino:

Greetings of peace and academic excellence!

As we wrap up another productive academic year and begin to look toward the future of Filipino education, BrainBee Education remains steadfast in its mission to support the Department of Education's goal of producing globally competitive learners. We recognize that the true development of a child continues even outside the school walls and across the vibrant provinces of the region.

While the summer break is a well-deserved time of rest for both educators and students, it also presents a unique challenge: keeping learners' minds sharp and academically engaged during the long hiatus. This summer, BrainBee Education is thrilled to provide a prestigious platform for Filipino learners to turn their vacation into a season of triumph through the **2026 Philippine Number Ninja Competition (Regional Preliminary Rounds)**.

We are reaching out to your esteemed office to help us bridge the "summer slide" by inviting the schools under your jurisdiction to encourage parents to register their children in this high-energy, national-level numeracy challenge.

Why the Philippine Number Ninja Competition?

The 2026 Regional Preliminary Rounds are designed to be more than just a test; they are an intervention aimed at strengthening the numeracy skills of the youth in line with the DepEd K to 10 Revised Curriculum. By encouraging participation this summer, the students of the region will benefit from:

- **Productive Summer Engagement:** A constructive way for learners to utilize their vacation time, ensuring they return to school with sharper mathematical skills, particularly in the four fundamental operations.
- **Innovative Numeracy Training:** Participants gain access to specialized practice tests targeted at strengthening their skills and speed in the four fundamental operations of numbers.

- Path to National Recognition: Success in the Preliminary Rounds paves the way for students to represent their school, division, and the region on a national stage.
- Credibility & Safety: Our programs are fully aligned with Department of Education standards and child protection policies, providing parents with peace of mind regarding the legitimacy of the initiative.

Compliance and Policy Adherence

To ensure full compliance with DepEd Order No. 8, s. 2013, we wish to highlight the following:

- Non-Disruption of Classes: The Preliminary Rounds (June 1-6, 2026) occur during the summer hiatus, complying with DepEd Order No. 9, s. 2005. The National Finals (September 5-12, 2026) are scheduled in recognition of the new three-term calendar per DepEd Order No. 9, s. 2026.
- Voluntary Participation: Participation is strictly on a voluntary basis.
- No Collection Policy: In adherence to RA No. 5546, no fees shall be collected by teachers or school heads. Registration fees are paid directly by parents to the organizer.

How the Regional Office Can Help

We believe that a regional endorsement is the strongest signal of quality and opportunity for our schools and parents. We respectfully request your office's assistance in disseminating this invitation to the various Schools Division Offices (SDOs) within the region.

By promoting this opportunity, we are giving your learners a head start for the upcoming school year and reinforcing our collective commitment to academic excellence and holistic development.

National Coordination and Transparency

To ensure this initiative is aligned with national priorities, we have already communicated with the DepEd Central Office and have requested the issuance of a National Advisory. While this is in process, we are reaching out to your region to ensure that your learners do not miss the opportunity to participate in the upcoming June sessions.

Registration and Participation Details

We respectfully request your office's assistance in disseminating this invitation to the various Schools Division Offices (SDOs) within the region.
