DIVISION MEMORANDUM

No. 302, s. 2026

13 MAY 2026

**GOKONGWEI BROTHERS FOUNDATION (GBF) CLASS
BUILDER PROGRAM EVALUATION**

To: Assistant Schools Division Superintendent
Chief Education Supervisors
Section and Unit Heads
Public Elementary and Secondary School Heads
All Others Concerned

1. The Gokongwei Brothers Foundation (GBF) will conduct an online session with the Class Builder (CB) Leads and their respective school heads on May 20, 2026, at 10:00 a.m.
2. In this connection, all concerned school heads and selected teachers are requested to attend the said session.
3. Furthermore, each school is requested to prepare and submit the list of Grades 1-9 teachers who will handle Mathematics subjects for the incoming school year, including the designated GBF CB Leads. Please indicate the names of the GBF Leads through this link: <https://tinyurl.com/GBFTeacherLeads>
4. The link for the online session shall be shared through the designated group chat.
5. Attached are Regional Memorandum No. 571, s. 2026, and the letter of Angela Dianne Agustin, Senior Partnership and Community Officer of GBF, for reference.
6. For information and guidance.

REGIONAL MEMORANDUM
No. 571 s. 2026

MAY 11 2026

**GOKONGWEI BROTHERS FOUNDATION (GBF) CLASS BUILDER PROGRAM
EVALUATION**

To: All Schools Division Superintendents
All Others Concerned

1. In reference to the letter received by this Office dated May 6, 2026, the Gokongwei Brothers Foundation (GBF) through the GBF Class Builder values the ongoing collaboration with the Department of Education Region 1 in strengthening teaching and improving learning outcomes across the region.
2. In support for teachers at the school level, key developments in the GBF Class Builder Program will be strengthened which includes transitioning to a new platform, introducing a certification component, and launching the GBF Class Builder Leads Program (CB Leads).
3. Anent this, the GBF will be holding an online sessions with select CB Leads and their school heads. (Please refer to the attached letter on the schedule of each School Division Office).
4. Moreover, each School Division Office is requested to accomplish the online template on the RMA School and Teacher Data (List of Grades 1-9 Mathematics Teachers) and designation of GBF Class Builder Leads. The link will be forwarded to the Division GBF Focal Person.
5. For queries, please contact Ms. Angela Dianne Agustin, Senior Partnership and Community Officer, Educator Programs, GBF Class Builder through telephone number 09989834998 or email dice.agustin@gbf.com.ph.
6. For immediate dissemination and compliance.

DIR. ESTELA L. CARIÑO, CESO III
Director IV
Department of Education, Region I

thru

MA'AM RICA A. PEREZ
Education Program Supervisor - Mathematics
Department of Education, Region I

Dear Director Cariño,

Good day! The **Gokongwei Brothers Foundation**, through the **GBF Class Builder**, warmly appreciates our continued partnership in strengthening teaching and improving learning outcomes across the region. We are grateful for the opportunity to work alongside you again for School Year 2026–2027.

This year, we are excited to deepen our partnership by further strengthening support for teachers at the school level through **key developments in the GBF Class Builder Program**: (1) transitioning to a **new platform**, (2) introducing a **certification** component, and (3) launching the **GBF Class Builder Leads Program (CB Leads)**.

The third key development is designed to **build local champion teachers** who can more consistently support their peers within their own schools. With dedicated **CB Leads in every school**, we aim to sustain strong implementation, strengthen teacher practice, and improve learner outcomes in a more grounded and scalable way.

In line with this, we will be holding a **GBF Class Builder Leads Launch per division** through **online sessions**, where we warmly invite the selected **CB Leads and their school heads** to take part in this convening as they step into this role in strengthening CB school communities. Attached to this letter is the proposed schedule per Schools Division Office (SDO).

To ensure success of these events, may we request the following:

1. RMA School and Teacher Data

- for alignment of all data points (in reference to our recent meeting)

2. GBF Class Builder List of Mathematics Teachers (Grades 1-9)

- **only basis** for teacher enrollment in the new platform
- must be checked for **accuracy before endorsement** and enrollment

3. Designation of GBF Class Builder Leads

- must be identified through the List of Mathematics Teachers
- every school must have **one to three teacher leads**, one representing each Key Stage (1–3)

To guide the identification of CB Leads in every school, we respectfully suggest the following characteristics:

- current Mathematics teacher
- digitally adept
- recognized teacher leader or trusted peer
- preferably an active GBF Class Builder user

These characteristics are intended to help ensure that CB Leads are well-positioned to facilitate the meaningful and sustained use of GBF Class Builder in classroom practice across their schools.

4. Schedule Coordination

- review the attached SDO-specific schedule
- ensure attendance of all participating schools, and designated CB Leads

We hope to receive the above requirements on or before **May 8, 2026**, in time for our launch this coming school year. We appreciate your continued support on these requests. Thank you for your continued partnership in building the future through education.

Sincerely,

ANGELA DIANNE AGUSTIN
