Batac City, Ilocos Norte

Dear Sir Aludino,

The Provincial Environment and Natural Resources Office (PGIN-ENRO) is preparing to celebrate Environment Month in June 2026. One of the featured activities is the **Provincial Ecolympics: Wildlife Quiz Bee**, which was first introduced to us by FGEN-Energy Development Corporation last year. This activity seeks to foster environmental awareness among students and deepen their understanding of key environmental issues, particularly wildlife conservation and sustainability.

For this year's Ecolympics, which is again a collaborative initiative by ENRO and FGEN-EDC, our target is that each city/town will be represented by a team. In line with this, we would like to request your office to select **two schools from the division office** to participate in the Ecolympics. The quiz bee is exclusively open to all Grade 9 to Grade 12 students and will follow these **mechanics**:

- **Team Composition:** Two (2) members per team.
- **Format:** Teams will answer a series of questions on wildlife conservation, sustainability, and related environmental topics. Points will be awarded for correct answers, and the team with the highest score will be declared the winner.
- **Requirements:** Photocopy of School ID (Certified by their adviser)
- **Preparation:** Participants are encouraged to review the following topics:
  - Climate Change and Global Warming (General Knowledge)
  - Biodiversity in the Philippines (Definition/Importance, Major Ecosystems, Endemic Species, Threats, Conservation Efforts, Key Protected Areas)
