CITY MOBILE BLOOD DONATION DRIVE

In celebration of World Blood Donor Day 2026, the Schools Division of the City of Batac supports the City Mobile Blood Donation Drive (MBD) spearheaded by the City Government of Batac and Mariano Marcos Memorial Hospital & Medical Center (MMM&MC) on June 18, 2026, from 8:00 a.m. to 1:00 p.m. at Imelda Cultural Center (ICC), City of Batac.

All DepEd personnel who are eligible to donate blood are encouraged to participate.

Participation is voluntary and shall be subject to the non-disruption of classes policy stipulated on DepEd Order No. 9, s. 2005 titled "Instituting Measures to Increase Engaged Time-on-Task and ensuring compliance.

Attached is the letter from City Health Office for reference.

For information.

DR. ANSELMO R. ALUDINO
Schools Division Superintendent
Schools Division of the City of Bataac
City of Bataac, Ilocos Norte

Dear Dr. Aludino:

Greetings!

In celebration of **World Blood Donor Day 2026** and in line with the City Government of Bataac's continuing commitment to ensure an adequate and safe blood supply for patients in need, the **Bataac City Health Office**, in partnership with the **Mariano Marcos Memorial Hospital and Medical Center (MMM&MC) Blood Bank Team**, will conduct a **City Mobile Blood Donation Drive (MBD)** on **June 18, 2026 (Thursday)**, from **8:00 AM to 1:00 PM** at the **Imelda Cultural Center, City of Bataac**.

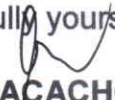

Blood donation is one of the most meaningful acts of humanitarian service. Through this activity, we aim to strengthen the city's blood reserve and help ensure that life-saving blood is readily available for emergencies, medical procedures, and patients requiring blood transfusions.

In this regard, we respectfully request your support in encouraging the participation of personnel from the **Schools Division of the City of Bataac** in this noble undertaking. We kindly ask your good office to endorse and send **at least five (5) eligible DepEd personnel who are willing and qualified to donate blood** to help achieve the objectives of this activity and contribute to the city's blood supply.

We strongly encourage the continued partnership of the Department of Education in promoting voluntary blood donation and fostering a culture of compassion, solidarity, and humanitarian service among educators and school personnel. Through our collective efforts, we can help ensure a safe and adequate blood supply for those who may need it most.

Your support in this meaningful endeavor will be highly appreciated. Thank you for your unwavering commitment to public service and the welfare of the people of Bataac.

Respectfully yours,

JOY E. RACACHO, RMT
Blood Program Coordinator
