ESTELA P. LEON-CARIÑO, EdD, CESO III
 Regional Director
 Department of Education – Region 1

Ma'am:

Greetings of peace and excellence!

We respectfully write to seek approval for an additional number of respondents for our ongoing impact study registered under the DepEd Research Portal. Due to the scope and objectives of the study, we have identified the need to expand our respondent pool to ensure more comprehensive, reliable, and statistically significant results.

The increase in respondents will allow us to better capture diverse perspectives and strengthen the validity of the study's findings, which are intended to contribute meaningfully to educational policies, programs, and practices within the region.

In this regard, we humbly request your approval to include additional participants beyond the initially approved number. Rest assured that all ethical standards, data privacy protocols, and DepEd research guidelines will be strictly observed throughout the process.

We sincerely hope for your favorable consideration of this request. Thank you very much for your continued support in advancing research initiatives that benefit the education sector.

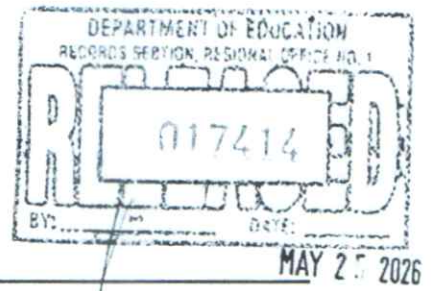

Respectfully yours,
