Dear Sir,

Warm greetings of peace and service!

In line with our continuing advocacy to promote financial literacy and savings consciousness among our learners, the San Basilio Multipurpose Cooperative respectfully request the renewal of our permit to visit various schools within the division for the implementation and monitoring of the Kiddie Savers Program.

This initiative is in partnership with San Basilio Multipurpose Cooperative and aims to instill the value of Savings among school children by encouraging them to open and maintain their own savings accounts.

Our visits will focus on:

- Conducting orientation sessions with learners, parents, and school personnel;
- Monitoring their progress of Kiddie Savers Accounts;
- Providing technical assistance to ensure program sustainability.

Rest assured that all activities will be conducted in coordination with school heads and will strictly adhere to DepEd policies, data privacy protocols, and any applicable health and safety guidelines.

We are hopeful for your favorable consideration of this request so we may continue empowering our learners with essentials life skills in financial management.

Thank you for your continued guidance and support.

Respectfully yours,

NELIA R. NALUNDASAN
